## **Parochial Tea**

The season of Whitsuntide was marked on Monday last by a parochial tea. In consequence of the very unpropitious weather the tea, which should have been held in the open air, took place in the schoolroom. Trays were kindly provided by the following ladies:- Mrs. Ault, Mrs. T. Hickman, Mrs. W. Dore, Mrs. Edmonds, Mrs. Povey, and Miss E. A. Lawrence. The tea was well attended. The Rev. H. Ault (vicar) organised a series of amusements for evening entertainment. These were highly appreciated, and all present spent a most enjoyable time. The Bishopstone Brass Band contributed to the pleasure of the audience, and received warm and well merited applause. The proceeds of the tea and entertainment are in aid of the Sunday scholars treat.
