

Chance To See How Bradford On Avon 'Blueprint' Is Taking Shape

You can see how Bradford on Avon's Neighbourhood Plan has progressed during a consultation and exhibition in the town council offices this month.

The plan will provide a blueprint for the future and from earlier consultations, the Neighbourhood Plan Steering Group has put together a list of the key issues that have a direct bearing on how the town is now and how people wish to see it taken forward into the future.

Members of the steering group will be on hand during the exhibition to answer questions and provide additional information.

The exhibition and consultation will take place between May 19 and June 13 and be open from 10am-4pm Monday to Friday.

Those who are representing an organisation and would like to visit with members on a particular time and date should contact the town council on 01225 864240 or email neighbourhoodplan@bradfordonavontowncouncil.gov.uk.
