<p><i>Recorded in the Parish Records " Now about this time [1595] the Curate of the Church deceased whom, one Robert Marshall succeeded, and he continued Curate here until the 30 March 1597, in all which time he neglected to register all such things which he ought to have done. Wherefore this book is destitute of all such Christenings, Burials and Weddings which were accomplished from 23 day of June 1595 unto 30 March 1597"</i></p> <p><i>[It is assumed that the two entries in 1596 were recorded after this date]</i></p>
