Inquest on Louis Aspek

Inquest at Bremhill before Mr Whitmarsh on the body of Mr Louis Aspek 84 years of age.

The deceased lived at Bencroft Farm, and had gone out into his stable adjoining the house a little before 5 o'clock in the afternoon, in his usual health. He had not been there many minutes before he called out, when his son went to him and found him sitting on a stool. His father endeavoured to speak, but he could not understand him. The son, with the servant, then assisted the deceased across the yard, but he expired previous to his entering the house.
Verdict – Visitation on God.
