

The Late Rev. Bowles

### **The Late Rev. W. L. Bowles**

One of the publications of the present year, though as yet not publicly announced will be a Life (though a brief one) of William Lisle Bowles, containing his early correspondence with Coleridge. Both Southey and Coleridge, it will be remembered, were constant in the acknowledgment of the debt of obligation which their early verse was under to the muse of Bowles. The Life of the Vicar of Bremhill, though not a stirring one, was far from devoid of interest, and, in good hands, will, doubtless, for a pleasing picture of pastoral and poetic life.
