

Distribution of alms to the poor

Donation of Sheep to the Poor

The usual donations have, during the past week, been given to the poor of Highworth. Clothing was distributed on Saturday; and three fat beasts, and bread on Monday.

A subscription has been set on foot in Highworth, for the purpose of purchasing a quantity of coals, which the farmers are daily fetching, and which are to be distributed at a low price to those who are in need.

At Blunsdon, last week, four fine fat sheep, given by Messrs. Chamberlen were distributed to the poor of that village.
