

Poultry Powder Advert 1906

Hamlin's (Regd.) Poultry Powder

is an invaluable stimulating restorative help, strengthening the birds, shortening the moulting season, quickly invigorating the growth of bright new plumage, and renewing The Fullest Laying Powers without undue forcing.

Invaluable for late broods, and starts pullets laying early; prevents and cures Roup, Gapes, Cramp, Chills &c. In tins, post free 1/3 (enough for 12 hens for five weeks); two tins 2/3; three 3/-; six 5/6 12 (to sell again) 10/-; or 20 for 16/-; carriage paid. Cash with order.

Recent Testimonial To Hand:-

Chicklade Rectory,
Salisbury.
17/9/06

Dear Sir,
We have used your Poultry Powder for the last 12 months with most satisfactory results.

Your very faithfully,
John Frederick Homan.

My Agents for "GIP" sell it in Tins 3d, 6d, 1/- and 2/6 each. Great saving in buying the larger size. Send for name of nearest Agent, and be sure and ask for (and insist on having) Hamlin's "Registered" Poultry Powder.

Manufacturer, Charles Hamlin, Harcourt, Salisbury.
