

Unscreened Lights

"There's no explanation except forgetfulness," said Victor Wheeler, 20 Gaston Road, Chippenham, to Special Constable Lenton, when asked about a light being visible from a bedroom window. He had been warned on a previous occasion by the same constable.

A fine of 7s. 6d. was imposed.

"A chapter of accidents" was the explanation to the magistrates of William H. Devonald, Market Place, Chippenham, who was fined 2s. 6d. for a similar offence.

Edgar Affleck, High Street, Chippenham was fined 5s. for permitting light to be visible from the Masonic Hall, Chippenham. "I must be the culprit" he said to the constable who called on him.
