

## Patents and Their Inventors

A patent is an official document given to an inventor by a government. This document generally gives inventors the right to stop anyone else from copying, using, distributing or selling the invention without their permission.

| Year | Date   | Surname | Given Names | Abode                       | Occupation | Description of Invention and Notes                       |
|------|--------|---------|-------------|-----------------------------|------------|--|
| 1806 | 02-Oct | Cooke   | William     | Chute (Forest), Chute House | Gentleman  | Waggons and other carriages having more than two wheels. |
