The Old Manor House

High Street, Codford St. Peter, Wiltshire

Grade II - Listed 30th March, 1978

Detached house. Late C17, restored 1947.

Banded rubble stone and dressed limestone, thatched roof with coped verges and brick stack. Single-storey with attic and cellar. Blocked doorway to left, 3-light mullioned casement to left and two 3-light mullioned casements to right; all are C20 replacements. Two-light blocked mullioned window to cellar. Four brick eyebrow dormers with 2-light leaded casements. Right return has two small chamfered lights to ground floor and 2-light mullioned casement to attic. Rear has C20 chamfered doorway right of centre with 3-light mullioned casement to right and two 2-light mullioned casements to left, single-light lighting stairs, three brick eyebrow dormers with 2-light casements.

Interior not accessible at time of survey (March 1987), but said to contain chamfered cross-beam ceiling and open fireplaces, plaster ceiling with crests. (Wiltshire Buildings Record, Devizes)
