#### 1905

A serious fire has occurred at the new racing stables at Collingbourne Kingston, near Marlborough, and resulted in the destruction of a block of fifteen new loose boxes, the damage being estimated at over £2,000. The stables had been constructed for Mr Baker, trainer, of Weyhill, who was just on the point of entering into possession of them. The Marlborough Fire Brigade was summoned, and rendered valuable assistance in saving the remainder of the premises. The property was not insured. **Warminster Journal, Saturday, 27 May 1905**
