Board of Guardians At the last meeting of the Board the Guardians were much gratified to find that Mr. James Sadler was again able to put in appearance at the Board-room, having accepted the vacant seat for Baydon parish after his defeat by Mr. Titby in the contest for the representation of his own parish. Mr. Thomas Hill still occupies the chair, and no doubt will until the end of the year. General satisfaction is expressed at Mr. Sadler's return to the Board as he is a very useful member.
