Devizes

1850-1899

WILTSHIRE AGRICULTURAL ASSOCIATION **MARLBOROUGH MEETING, JUNE** 17th and 18th, 1890. It may be wondered that **MESSRS. PRICE & SONS**, of **HANDEL HOUSE, DEVIZES**, having the largest and most varied stock of **PIANOFORTES, ORGANS &c.**, in the West of England, did not exhibit at the Show; the Pianoforte being a complex instrument, composed of material especially susceptible to dampness, it mean ruination to the Instrument exhibited, especially when the weather is unfortunately wet during the Show; and no one would ever dream of purchasing an instrument which had been partially ruined by damp. **E. PRICE & SONS, HANDEL HOUSE, DEVIZES. DEPOTS AT YEOVIL & BORNEMOUTH.** **Devizes and Wiltshire Gazette 19 June 1890**
