

Devizes Civilian Training Corps 1914

This Corps continues to grow. At the parade at the Market House on Tuesday night fourteen new members were enrolled, making the roll 176, but as one of the original members (Captain C.W. Thompson) is leaving the town, as explained elsewhere, the total must be put at 175. Of these 143 were on parade on Thursday, and as these numbers were too large to be all drilled in the building one squad was taken to the cheese hall at the Town Hall. The following is a list of officers and members of the Corps:-
