

BRITTOX

WILLIAM READ

(late Gardener at Roundway Park, Devizes)

Begs to inform the inhabitants of Devizes and its neighbourhood, that he has commenced business as a FRUITERER, GREENGROCER, AGRICULTURAL and HORTICULTURAL SEEDSMAN, and that he intends selling all kinds of TREES (both Forest and Flowering), and to superintend all sorts of planting and thinning of plantations, by contract or otherwise; as well as to attend to the making of gardens and pleasure grounds, and to find competent men to attend to the nailing and pruning of wall trees.

W. R. will be pleased to contract with any gentleman to lay out gardens, and stock them with all kinds of trees and seeds, and he will contract to plant by the acre, or in any way any gentleman may wish. W. R. feels confident the many years' experience he has had in every department of his business – all the alterations and improvements that were effected at Roundway Park. Having been done through his instructions, whilst there – will be sufficient to satisfy any gentleman of his abilities.

N.B. A fine collection of all kinds of Dutch Bulbs, which W.R. will be glad to sell at the most moderate terms.

Devizes and Wiltshire Gazette 25 November 1847
