## **Fitz Farmhouse**

Clarendon Close, Dinton, Wiltshire

Grade II - Listed 17<sup>th</sup> December, 1986

Farmhouse, now detached house. 1713 incised on quoin to south east corner, altered late C18 and late C19. Rubble stone, tiled and slate roof, gable end brick stacks. Two-storey, 2-window front. Disused central planked door with flat wooden hood on brackets and 3-light recessed chamfered mullioned casement either side. String course at lintel level. First floor has two 3-light casements. Integral single-storey kitchen range to right has 3-light recessed chamfered mullioned casement; eaves raised in brick late C19 and roof slated. Right return of kitchen has external truncated brick stack with offsets, 6-pane sash to right and 4-pane sash to first floor, this wall is Flemish bond brick with stone quoins. Right return of main range has two single-light recessed chamfered casements to attic. Left return has steel casement to first floor and 2-light casement inserted into former mullioned casement, retaining dripstone, to attic. Rear has glazed door and 3-light casement to rubble stone ground floor of integral outshut, eaves raised in brick to provide first floor late C19; two 6-pane sashes, and one 4-pane sash and one narrow sash, flat roof.

Interior has open fireplace with cambered chamfered lintel on stone jambs, chamfered beam with stepped stops, west room has blocked corner fireplace. Attached to rear and linked by C19 covered passage are C19 brick outbuildings with Welsh slate roofs and C20 casements, now stores and garages with north outbuilding, now cottage annexe.
