Figheldean 1900-1999

1951

COST OF SEWERING FIGHELDEAN, £19,700 R.D.C. SHELVE SCHEME Amesbury R.D.C. have been informed by their consulting engineers that the estimated cost of sewerage Figheldean on present-day prices would be £19,700, and the Council decided on Wednesday, in view of existing commitments, to take no further action for the time being. **Salsbury Journal, September 1951**
