### Commonwealth War Graves Commission Headstones

The Defence Department, in 1920/21, contacted the next of kin of the deceased World War 1 soldiers to see if they wanted to include a personal inscription on the permanent headstone at St. Edith's Churchyard, Baverstock. Space was reserved for 66 letters only (with the space between any two words to be counted as an additional letter) & the rate per letter was around 3 ½ d (subject to fluctuation).

The expense in connection for the erection of permanent headstones over the graves of fallen soldiers was borne by the Australian Government.

### Information obtained from letters sent to next of kin in 1921

A letter from Base Records, dated 28th June, 1921, to Mr. G. McIntosh advises that a letter from the Defence Dept. concerning an inscription for the headstone of the late Pte. D. McIntosh had not been answered & non-receipt of a reply within 21 days would have to be accepted as indicating that no further action was to be taken.
