

LANTERN SERVICE

At the first of a series of eight lantern services for Lent in the parish church on Thursday evening there was a large congregation, including some from Malmesbury.

The title was "The Voice of the Earth."

The service was conducted by the Rector, who played the accompaniments.

Mr. F. J. Compton (Malmesbury) sang with good effect "The Voice of God's Creation Found Me."

Mr. H. Jones, of the Rectory staff, worked the lantern. The offerings were in aid of the Church Army War Fund.
