

William Reeves - Candidate for Election of Coroner

To the Gentlemen, Clergy, and Freeholders, of the County of Wilts;

GENTLEMEN,

There being again a Vacancy in the Office of Coroner for this County, by the unexpected Death of Mr. Thresher, I venture once more to solicit your Votes and Interest on this Occasion. I flatter myself that the Unwillingness I manifested to give Trouble in the County, in Opposition to the late Mr. Thresher, may be considered as a Recommendation of me to be his Successor. Should your favourable Countenance of me be attended with Success, it shall be my Study to express my Gratitude by a faithful and punctual Discharge of the Duties of the Office.

I am, Gentlemen,

Your most respectful and obedient Servant, WILLIAM REEVES.

Great Bedwin, November 11, 1767.
