Great Cheverell 1850-1899

1870

Abraham Whiting, of Great Cheverell, was charged by Mr. Superintendent Wolfe with a similar offence, (selling bread without weights and scales) on the 27th of Sept last. Mr. Wolfe said that defendant's man, Hawkins, was selling the bread. He weighed several loaves, and they were all good weight. Taking this fact into consideration, the bench only inflicted a fine of 10s. and the costs with a caution as to the future.
