

Cricket Club Annual Dinner

Wishford

The members of the Cricket Club met for their annual dinner in the schoolroom on Thursday (yesterday) week, under the chairmanship of the Rev. E. Hill, (rector). A substantial dinner was provided by the Committee, consisting of Messrs. Wallace and Lever, and the energetic secretary, (Mr. L. E. Fifield). Mr. G. M. Young proposed "Success to the Wishford Cricket Club," which was responded to by Mr. Fifield, in the absence of the Captain, (Mr. W. Hunt), who was unable to attend on account of illness. The secretary's statement showed that the Club had had a fairly successful season, winning five and losing four matches, and having a balance in hand of £2 10s. The Wilton Glee party, consisting of Messrs. Mumford, Haynes, E. and W. Hibberd, entertained those present with some capital glees, and others contributed songs.
