

The Old Rectory

Fire at the Rectory

A fire was discovered to have broken out at the Rectory here about 6 o'clock on Wednesday morning. It appears to have originated the flue of the hall stove, whence spread to some old timbers in the wall, and in the closet and bed-room above.

Fortunately it was speedily extinguished and no very considerable damage was effected.

The property was insured in the Sun Fire office.

The rector, Rev. T. B. Buchanan and Mrs. Buchanan were from home at the time, and will not return for some weeks to come.
