

Stable to Wishford Farm

GREAT WISHFORD SOUTH STREET (west side) Stable to Wishford Farm at rear of Beehive House GV II Stable. C18 with early C19 extensions. Flint and limestone plinth to weatherboarded timber-framing over, half-hipped tiled roof. Single storey with loft. Planked stable door with louvred window either side, gabled loft door over. Attached to left is early C19 brick and flint stable with slate roof and segmental-headed stable door and louvred window to left, gabled loft door over. Attached to right is early C19 cart shed with hipped slate roof and double planked doors to gable end. Interior has 4-bay interrupted tie-beam roof, loft partly floored.
