

## Musical Treat

On Tuesday evening last, the inhabitants of this village were entertained at the school room, through the exertions of Mr. James Goulden to a fine musical treat. The principal vocalist was Mr. Goulden of Doncaster, and a select party from Wilton. Mr. William Goulden presided at the piano, kindly lent by Mr. Higgins. The programme was ably rendered, and during the interval by special request, Mr. E. Slow recited his Harvest Home at Wilton. Every one seemed highly delighted with the entertainment which was given gratuitously nor was any money taken at the doors.
