

A Useful Souvenir

In commemoration of Oak Apple Day each child has been presented with a very artistic earthenware mug. Its chief design is an oak apple spray with the following words around it:- "Groveley, Groveley, and all Groveley. In commemoration of Wishford rights (May 29th 1901), and the 1st year of the reign of King Edward VII." On each side of the inscription there is also an oak sprig. The recipients are grateful to Mr. Scott to whose untiring energy they owe the memento.
