

A New Sportsmen's Service

A big congregation is expected at the sportsmen's service to be held at Highworth church on Sunday 7 December.

The service is a new departure for Highworth, and it is anticipated that it will become an annual event.

The Rev F Hudson was responsible for the idea, and he is receiving a great deal of support.

Mr A Archer of the Swindon Town FC and Mr Wood, captain of the Highworth Cricket Club, will read the lessons, and the Rev C M R Luckman of Castle Eaton, who was a great athlete in his day, will preach the sermon.

Highworth Town Band will also take part in the service and head the procession.
