

Keovil District Society

The new schedule of prizes of this Society has just been issued. It contains upwards of 200 classes, and there are the names of nearly 100 new members attached to the already numerous list of subscribers. The ensuing summer exhibition is fixed to be held in the beautiful grounds of Leighton Park, Westbury, the seat of R. L. H. Phipps, Esq., on Wednesday, the 19th August next, when, we doubt not, a very successful meeting will be held.
