

Death of Mr. John Fowler

Mr. J. Fowler, of Spring Cottage, died at his home on Wednesday. Mr. Fowler, who was 55 years of age, during the recent wintry spell developed a temperature, but insisted on going out to see to the feeding of his stock. He succumbed to an attack of double pneumonia. Mr. Fowler was a genial man who never sought the "limelight" and the parish is much the poorer by his death. He leaves a widow and two children.
