

Penny Readings

Another of these popular entertainments was given to a crowded audience on Thursday, 13th December, in the Foresters' Lodge, and the arrangements were most satisfactory, and the whole affair went off well. We cannot however pass over without notice the admirable reading of the Rev. W. H. Awdrey and also of Dr. Pike, whose reading of "The Charity Dinner" was inimitable. The following is the programme: - Selection "Beautiful Star," Band; reading, "Little clouts and great the stream," Mr. Child; reading, "The temptation of St. Anthony," Dr. Pike; march, "Partant pour la Syrie," band; reading, "Jarvie's journey, Mr. Meaby; song, "Doctor Gregory," Mr. Blance; "God save the Queen."
