Lydiard Millicent

FROM THE FRONT – To celebrate the leave granted to Pte. George Wheeler, of the Wilts. Regiment (now in France), his relatives and friends met in a class-room of the school (kindly lent by the school managers) and about 30 spent a social evening on Wednesday in last week. Pte. Wheeler looked extremely well, and appreciated the efforts of those who tried to make his short leave as pleasant as possible. Songs and dances were given, and at the close “Auld Lang Syne” and the National Anthem were sung.
