

Patents and Their Inventors

A patent is an official document given to an inventor by a government. This document generally gives inventors the right to stop anyone else from copying, using, distributing or selling the invention without their permission.

Year	Date	Surname	Given Names	Abode	Occupation	Description of Invention and Notes
1839	07-Nov	Moody	Edmund	Maiden Bradley	Yeoman	Machine for pulping turnips and other roots for feeding cattle.
