**Salisbury and Winchester Journal, 29 April 1830**

**OPC Note:-**

Further information has been added to this article from convict records both British and Australian and prison hulk records. The original newspaper article listed the names only with the length of transportation period. The list was not recorded in table format but has been recorded in this format for ease of reading.

All convicts were sentenced on the 6th March 1830 at New Sarum and initially detained at Fisherton Gaol, Fisherton Anger.
