Dance at the Town Hall.—A very successful “Cinderella Dance” took place in the town hall Marlborough, on the 11th inst. The arrangements were ably carried out by Mr. C. R. Morrison aided by a numerous committee. The hall was most tastefully decorated with bunting and evergreens, amongst which mirrors and various coloured Fairy lamps were placed with graceful effect. Amongst the company, which was very large, numbering upwards of a hundred, we noticed a great many from Devizes, Hungerford, Newbury, and the neighbouring districts. The Swindon Town Band occupied the orchestra, and during the evening discoursed a very pretty selection of music, to the strains of which dancing was kept up with great spirit until midnight.
