

Pig Keepers' Club Meeting

The committee of the Pig Keepers' Club met in the schoolroom. Those present were Messrs. G. A. Lee (chairman), H. Simper, P. Adams and G. Wheeler and the secretary (Mr. R. O. Chave). It was decided to insure all members pigs through the Small Pig Keepers Council with the National Farmers Union. The secretary reported that the Council required an affiliation fee of 10s. and the chairman generously offered to pay this. Requests had been received from persons in Milton and Wootton Rivers for their parishes to be incorporated in the Clubs area and the committee approved.
