

North Bradley

Quarter Session Reports

Marlborough Quarter Sessions 7th October 1685

The information of William Jennings of North Bradley, brasier, taken 4th May 1685. He said, on Oath, that 'Wensday last being in the house of Thomas Gaisford of North Bradley, victualler, with John Moore of the same parish, labourer, he the said Jennings, drank a health to King James the second to wch the said Moore answered that hee would drink noe health to any popish Rogue and presently took a stick out of the hand of him the said Jennings and strook him upon the head & broke it so that he lost much blood by it & he is afraid that hee will some tyme or other kill him or doe him some bodily harme'.
