

## *21st Birthday Celebrations at Overton*

Employees on the estate together with their wives and several other guests, made up a company of about 130 on Monday night when they were entertained at supper at the Corn Drier by Mr. and Mrs. F. Swanton. The occasion marked the coming of age of their eldest son, Mr. R. G. F. Swanton.

Following the speeches and toasts, an inscribed silver flower stand and a barometer were presented to him on behalf of the workers and their wives. A bouquet were presented to Mrs. Swanton. An entertainer delighted the party with a succession of "rustic" items and members of the company contributed songs.
