Interesting Parish Register Entries

1650

The following entry appears with the Register entries for 1650

Edward Batt & Agnes [.....], of Burbig.... 11 June 1704.

[There is an interval of rather more than four years between the last regular entry in this volume and the first in Vol. III. The interpolated entry of 11 June 1704 is printed again in its order of date]

1654

07-Aug John Rayshe & Cicely Collar, married by Mr. William Blisset.

[Mr. Blisset was J.P., and signed the certificate of approval of the Register on the first page of this volume. This is the only entry in the Register of marriage by a Magistrate.]
