

Sale of Work

The annual sale of the articles made by the St. Mary's Church Missionary Working Party was held in the school on Saturday and was highly successful. The stalls presented a very attractive appearance and the workers were congratulated upon the excellent quality of the goods displayed for sale. Mrs. Oakley Brown, Mrs. Tidmarsh and Miss A. Martin, with the assistance of Miss M. Brewer, served substantial teas at reasonable prices and Mrs. and Miss Willis presided over a very popular provision and sweets stall. Mrs. Godwin, Mrs. Greenhill, Mrs. M. Iles and Mrs. R. Shailes were in charge of the stalls of needlecraft, and trade was carried on steadily throughout the afternoon. Very popular also, were the following competitions: Mystery parcel, carried by Miss Christine Willis; darts and Corinthian bagatelle, undertaken by Misses Joy Kennett and Margaret Hinton; table skittles, by the Misses Brenda Joy and Doreen Strange; and "Can Can" by Masters Reg. Short and Paul Webb. Financially the sale was a great success, for the sum of £25 10s. which includes three generous donations, was raised through the indefatigable efforts of this enthusiastic working party.
