RESTORATION OF SALISBURY CATHEDRAL

We are happy to announce that Earl Beauchamp has offered a munificent contribution towards the restoration of the interior of the Cathedral. His lordship proposes to devote the sum of £100 to the erection of an altar screen between the choir and the lady chapel, as a memorial of his distinguished ancestor, Richard Beauchamp, who for 31 years was Bishop of this Diocese.

Salisbury and Winchester Journal. Saturday 31 March 1866.
