

Seend - Holy Cross

Organ Dedication Services

The ceremony of dedicating the organ, which has recently been erected in Holy Cross Church, Seend, took place on Wednesday. The services commenced in the afternoon at three o'clock, when favoured with beautifully fine weather, there was a large number of the clergy and friends from the surrounding parishes, the church being crowded.....

....The service of dedication was continued at eight o'clock, when evensong was again sung and a sermon was preached by the Archdeacon of Wilts.

At the close of each service collections were made in aid of the organ fund.
