We are glad to hear that Mr T C Usher, JP, of Seend, is making good progress after undergoing an operation in a London nursing home on Monday. Mr Usher is not only well known for his position at the head of Ushers' Wiltshire Brewery of Trowbridge, but for his philanthropical work in the district. It is of interest to recall that he recently gave the new clock and chimes within the Trowbridge Parish Church steeple, and, in addition, he played a big part in having the bells in the same historic steeple recast and re-hanged. **Bath Chronicle and Weekly Gazette Saturday 9 March 1935**
