

Assaults in Upper Stratton

Two men have been taken to hospital after what police described as linked assaults in Stratton overnight.

The pair have both been arrested. Police said they were not looking for any other suspects in connection with the assaults.

A police cordon remains in place outside the Premier store on Whitworth Road.

A spokesman for Wiltshire Police said: "Two people have been arrested following two linked assaults in the Upper Stratton area of Swindon this morning.

"Both of the arrested men have been taken to hospital. Neither has life threatening injuries."

"There are a number of scenes in place regarding this incident and we would like to thank the public for their patience whilst our enquiries continue."

"We are not looking for anyone else in relation to these incidents at this time."
