

A Caution

WHEREAS I **JOSHUA HYDE**, the Younger, of Stratton St Margarett, in the county of Wilts, Carpenter, am, by deed duly made and executed, separated from Mary my Wife; and this is to give notice to all persons, not to trust her with any monies, goods, wares, or merchandize, on my account, after this public notice, as I am determined not to pay any debts she may hereafter contract.

Witness my hand this 21st day of March, 1801.
