

The New Gorse Hill Store

New Store Opens

Gorse Hill, in Swindon has a new Co-Op. The new store has opened in the centre of the busy shopping area and offers customers an improved range of goods and a bright new shopping environment.

The store has replaced the old Gorse Hill shop that was just up the road from the new one. The shop was acquired as part of a deal which also secured a store in Highworth.

Manager of the new Gorse Hill Co-Op is Nigel Reeves, pictured here with some of the Gorse Hill staff.
