## Welcome TO THE STRATTON PARISH NEWS

As the newsletter was going to press the sun still had its hat on but we are looking forward to the lazy, hazy, crazy days of summer for the forthcoming Parish Festival.

So much has happened since the last edition. The Week of Action held at the end of March was very successful. Over 800 trees were planted at Watermead by the Guides, Brownies and Rainbows, as well as local residents, to kick off the week and the Health & Wellbeing Open Day held at Stratton Leisure Centre was well attended with medical and fire fighting demonstrations among the many attractions.

The Annual Parish Assembly saw the first award of the Freedom of the Parish to Bryn Vaughan and Certificates of Appreciation were presented to Gerry Lawson, Patrick Murphy, Iris O'Neill and Philip Steele. In addition four grants of £200 were awarded to Kids Club, Upper Stratton Baptist Church, Swindon, Grange Social Club, Seedlings and the Swindon Stroke Support.

Work has continued preparing for the forthcoming Stratton Festival and the pull out in this issue highlights some of the many events being put on in Stratton throughout July.

Finally, the Parish Council has three vacancies for Parish Councillors at the time of going to press so please do get in touch if you would be interested in joining the Parish for the next two years.

## WAR MEMORIAL UPDATE

In May the Leisure Centre hosted the Military Wives Choir who headlined an evening of Choral music. Nearly 400 people attended the evening which was held to raise money for the planned new War Memorial for the Parish of Stratton St Margaret. Over £1,000 was raised on the evening and a very enjoyable time was had by all.

The winner of the design competition for the proposed new war memorial won a family ticket to the Fairford Air show. Plans are now

being developed to formally design the new war memorial; secure a suitable piece of land for its erection and to continue to raise money to help to meet the costs. Thanks are extended to Barratt Homes for their support in enabling this project to go ahead.

## Leisure Centre investment programme ready for

# LIFT OFF!

Stratton St Margaret Parish Council is about to commence its investment programme at Stratton Leisure Centre, Grange Drive. The refurbishment proposals include the creation of a new Health & Fitness suite with bespoke changing rooms that are DDA compatible, refurbishment of the main changing rooms and toilets, a new foyer and café area, a new parish council administration office and refurbishment works to the Grange Bar.

It is hoped that work will commence towards the end of July although some of the proposals are subject to planning permission being granted.

The project has been developed to help address some of the issues currently being faced with a building that is over 35 years old as well as improving facilities for local residents and users of the Centre.

**Look out for further news on the Parish Council website.**

## A NEW all weather grass pitch for Stratton is on its way!

An All Weather Artificial Grass Pitch (AGP) is hopefully going to be on its way subject to planning permission being granted by Swindon Borough Council. The new facility will be sited to the rear of the Leisure Centre on the grassed area that recently hosted the Murphy's Yard.

The specification for the pitch will allow both football and rugby to be played on it and it will be constructed by S&C Slatter Ltd following an intensive tendering process.

The new facility will be available to hire by individuals, organisations

and local schools. **It is hoped that the facility will be completed towards the end of September 2013.**

## Stephen's Road play area upgrade agreed

At the recent Recreation Committee meeting Councillors agreed to continue to invest in the programme to upgrade and improve all the play areas despite the financial challenges facing the Council this year.

A new Wicksteed Simba climbing frame unit will be installed over the next few weeks which will provide additional activities for the children. Further information will be posted on the Council's website as this project progresses.

# ANIMAL ZONE

The Parish Council is excited to be working with Drove Vets who are co-ordinating the Animal Zone at our Festival. They've organised an amazing array of fun activities for you, your family and your dog! All the money raised on the day in the Animal Zone will be donated to Hounds for Heroes.

## HERE'S A QUICK RUN THROUGH OF WHAT'S TAKING PLACE:

 Try your hand at 'operating' - have you got what it takes to be a first class veterinary surgeon? Or maybe life as a Farm Vet would suit you better? Experience what it feels like to wear the 'long orange glove'!

 A Really Fun Dog Show with rosettes for the first four places in each class, culminating with the our Best in Show in the Main Display Arena at 4pm. Collect the programme and entry forms from Stratton Leisure Centre or simply download it at [www.drovevets.co.uk](http://www.drovevets.co.uk)

 We've got the finale of 'Swindon's Own Hero' when our search to find a dog that has made a difference to its owners life, is judged. Hounds for Heroes and Allen Parton with his dog EJ, as seen on Chanel 4's Secret Lives of Dogs, will be helping us judge 'Swindon's Own Hero'. We feel very honoured to be joined by Allen and EJ.

 Loads of stalls (too many to mention here) with doggie treats, pup cakes & cup cakes, beds and of course, a Hounds for Heroes merchandise stall where you can buy your very own 'doggie bandana' to show your support for this great charity.

 You can 'Ask the Vet' with any pet queries you've got or maybe you have a problem with your dog? Come along and speak to our fully qualified dog behaviourist Donna McDonnell who is here to help you.

 We've got displays galore for you and your dogs! With some very special groomers, Birds of Prey, Nimrod Drug Detection Dog display, First aid sessions and a bandaging display.

 Don't feel left out - you can book on to one of our 'Have a Go' agility sessions too!

 Plus there's a husky group, a tombola, a Grand Raffle, Micro chipping for only £5 - and Pet-ography will be with us to capture your dog on camera ... all at special festival prices - you'd be barking to miss out on these savings!

 Oh and did we mention the Andy's Animal Encounters? That's a huge tent full of every exotic creature you could think of from snakes to Iguanas - Andy has them all.

### JUST A FEW THOUGHTS TO HELP EVERYONE ENJOY THE DAY:

- Please keep dogs on a lead at all times unless taking part in one of the organised activities in the main ring
- Scoop the Poop!
- Please respect other dogs' space - not all dogs enjoy being bounced on

**ON BEHALF OF EVERYONE AT DROVE VETS, WE LOOK FORWARD TO MEETING YOU AND YOUR DOG. NOW ALL THAT'S LEFT TO SAY IS, KEEP EVERYTHING CROSSED THAT THE SUN SHINES ON THE DAY!**
