Nythe to leave Stratton St Margaret Parish in 2015

In two consultations carried out in 2012 and 2013, Stratton St Margaret Parish Council asked Nythe residents if they would like to stay in Stratton St Margaret and retain the existing parish boundaries.

Despite the majority of residents stating that they wanted to stay in Stratton St Margaret, the Parish Council is disappointed to confirm that Swindon Borough Council has decided to create a new Nythe Parish from 7 May 2015.

This will bring an end to an association between Nythe and Stratton that has been in existence since the Nythe estate was built on land that has always been a part of Stratton St Margaret Parish back to Saxon times. This association has benefitted residents from both areas from a pro-active Parish Council that has provided a range of services for the residents that were not provided by either the former Highworth Rural District Council or Thamesdown/Swindon Borough Council.

These services included cemeteries and burial grounds, street lighting, recreation grounds and dog bins to name just a few. The new Nythe Parish Council will now provide their own equivalent services as well as taking on the Melford Walk play area which Stratton St Margaret Parish Council.

The Parish Council would like to reassure our residents of Stratton St Margaret that it will continue to provide these services and that there will be no compromise to our high standards. Parishioners will still have the opportunity and priority should they wish to make use of our excellently maintained cemeteries and allotment site.

Stratton St Margaret Parish Council would like to wish the new Nythe Parish Council well for the future and hopes that it will be able to maintain the high standards that Stratton St Margaret Parish Council has been renowned for ever since it was first formed in the 1890s.

Neighbourhood Plan Update

The Stratton St Margaret & Nythe Neighbourhood Plan is progressing well. Neighbourhood Plans help local communities to have a say in the planning of their areas in the future, as well as identifying and proposing additional infrastructure requirements.

We were really encouraged by the return rate of surveys following a mailshot this summer asking residents their thoughts on a wide range of topics including transport, leisure, green spaces and education.

So far we've had over 600 surveys returned and more come in daily.

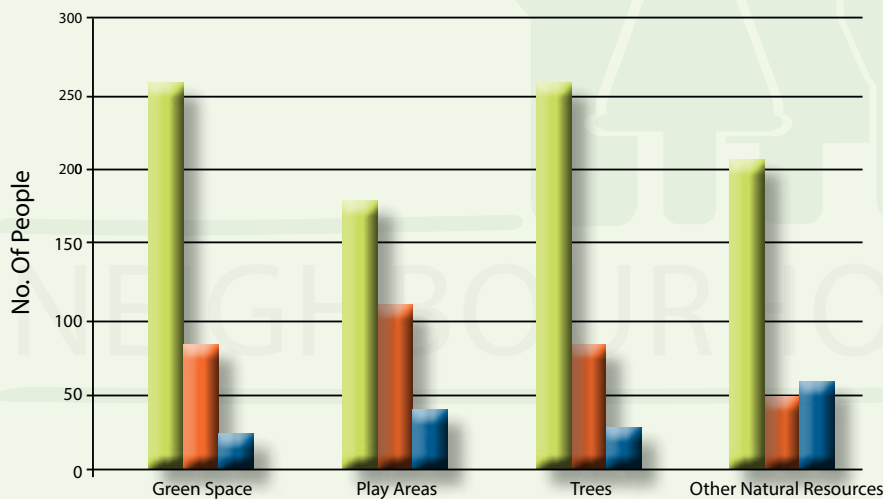

What sort of housing would you like to be provided in Stratton?

Do you think the roads are safe enough for children to walk and cycle on?

Does Stratton need more of the following?

Nythe

Although Nythe residents will be leaving Stratton St Margaret Parish in May 2015, they are currently still in the Parish and as such their input into the plan is welcomed. Please complete the survey online or contact the Clerk to the Council.

What's next?

We're going to be sending a business survey to companies operating in the Parish this month. We're really keen to understand how we can develop the future of the Parish to help grow your business. If you would like to receive a survey please contact the Assistant Clerk.

More working party events and an autumn roadshow will take place very soon as the Parish Council and volunteers go 'out on the road' in our Parish trailer. Visit our website which features news and information on this exciting project.

Working Party

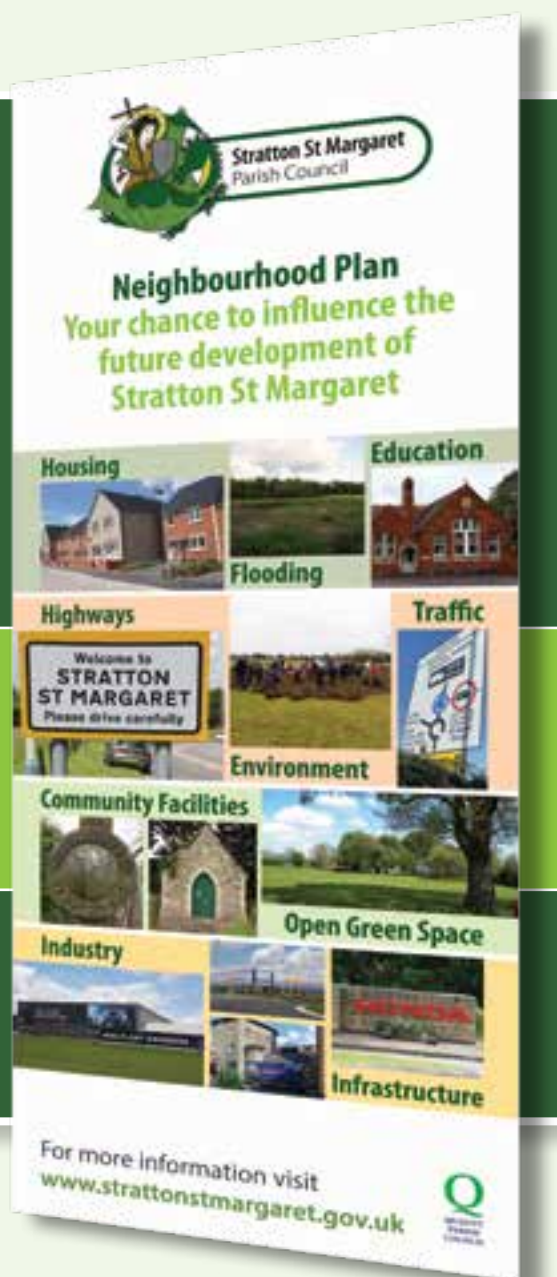

At a recent Working Party meeting, councillors, and volunteers were able to constructively discuss the initial survey findings and focus on their areas of interest.

The wealth of experience and enthusiasm was evident around the table and we are delighted to be working with such engaged residents.

Stratton Festival 2014

On Saturday 19th July 2014, Stratton St Margaret Parish Council put on yet another fantastic festival at Grange Leisure. People came from all over Stratton, and further afield, to enjoy the variety of stalls and events, including the new AGP football pitch and the new gym in the Leisure Centre.

Typical British weather wasn't enough to dampen people's spirits, or their enjoyment at the Grange. On a mainly warm and sunny day, brief thundery showers sent people racing indoors to the beer festival, or into the numerous marquees and gazebos around the grounds. These covered venues provided a host of interests; tombola and teddy bear stalls, Drove Vets, crafts, cakes, jewellery, charity stalls, and the informative arts and crafts of the Woodland Trust.

The aerobics display and the dog show were much appreciated, not to mention the music tent where a group of young ladies were enthusiastic in their appreciation of the Elvis impersonator long after the closing time!

Jason Howard showed off his 1923 steam roller to children of all ages. Across the car park were vintage cars and motorbikes. The bouncy castle was very popular, as was the refreshments tent where the queue for smoothies and slushies was continuous, and the cream teas went down a treat! People commented that the whole day had been great, and Stratton had been really well presented. The festival was again a great success and the turnout was high at about 4,000. There was something for everyone and it was so friendly.

Cllrs Mike & Pat Spry

A comment overheard from a visitor:

Sometimes there's not a lot to do on a sunny day in Swindon, so we'll definitely come back to the Grange again!

Stratton Festival 2015
will be held on
4 & 5 July 2015

Get involved in our 2015 Festival!

Stratton Festival is going to be bigger, better and even more fabulous in 2015. The Parish Council is looking for new residents to become part of the Festival Planning Working Party, to help organise all aspects of the Festival's preparations and events.

With even more activities being planned in our annual Festival, we need more people to get involved with the planning and managing of the Festival events. If you're a local resident, work in the area, or a local business who has an interest in the Festival, we want to hear from you! For more information, or to get involved, email clerk@strattonstmargaret.gov.uk.

Grange Gym trekkers raise £2,600 for charity

On the 11th August over thirty Grange Leisure staff, gym members and Stratton St Margaret Parish Councillors joined Grange Fitness Instructor - Gary Turland, on a trek to the summit of Mt Snowdon in aid of two very worthy charities – the Swindon MIND and the Great Western Intensive Care Unit. Both charities were specifically chosen for the help and support they gave to Gary Turland and the Council's Chairman, Councillor John Foley.

The group of trekkers varied in ages, fitness and abilities but they all managed to make it to the top! Everyone had a fantastic day and raised £2,600 split between these two very worthy causes.

Gary has now set his next goal to climb Ben Nevis in 2015. If you would like to join him and his trekkers contact garyturland@grangeleisure.co.uk to find out more details

Grange Leisure serves up School Dinners for Grange Federation

The new catering team

The recent Children and Families Act (2014) places a legal duty on primary schools to offer free meals to all pupils in reception, year 1 and year 2 from September 2014. For the Grange Federation this new duty increased the estimated meal provision as 250 meals per day above the 50 at the infant school and 50 at the juniors already receiving hot lunches.

Grange Federation was unable to meet the deadline for the refurbishment of their kitchen, and approached Stratton St Margaret Parish Councils' catering department to see if they could help for this academic year. Without the help of the Council, the school would not have been able to provide hot school meals.

The Council was due to refurbish their kitchen due to health and safety requirements, and through a tendering process, the Council commissioned Space Catering who completed the project against a very tight timescale.

Head Teacher at Grange Federation said *"As a school, we have been overwhelmed by the support of the catering manager in particular, but the way in which the whole Leisure Centre have embraced the idea. It has certainly made the community feel closer as we are able to be supported, and hopefully support one another."* *"I have been very impressed by the service. The meal provision has run perfectly. In my view the team have far and away performed better than I could imagine."*

Catering Manager, Richard White said, *"We've certainly relished the challenge of producing over 250 hot meals a day. With the newly refurbished kitchen and an expanded catering team, including a new Chef and Kitchen Assistant, we've really embraced raising the profile of the Leisure Centre by offering this service for Grange Federation"*.

The cost of **VANDALISM**

Stratton St Margaret Parish Council is disappointed to report that there is continued vandalism at the Council's play areas and open spaces.

The recent damage has taken the repair bill to over £1,000 in the past few months alone.

The Council has been informed that police are actively investigating the latest incident at Meadowcroft with the use of CCTV.

Councillors are appealing to the local community to help prevent more damage. If you notice that Council property has been vandalised please report it to us. If you see an act of vandalism, you should contact the local police by calling 101.

Apply for an allotment plot

Allotments provide valuable green space around the Parish and the surrounding areas. Stratton St Margaret Parish Council operates two sites in the Parish and has access to plots in Gorse Hill and South Marston.

There is currently a waiting list and the length of time people wait depends on how specific they have been about where they want the plot. To overcome the long waiting time, we're splitting larger vacant plots into a number of smaller plots and being more proactive about dealing with non-cultivation by plot-holders.

Add your name to the waiting list as it enables the Parish Council to be fully aware of the demand for allotment plots. Contact the Clerk to the Council on 01793 823761 or email clerk@strattonstmargaret.gov.uk

WE ARE MACMILLAN. CANCER SUPPORT

This September saw Grange Leisure host a very successful coffee morning in aid of Macmillan Cancer Support.

The event was supported by Councillors and members of staff donating lots of bottles for the tombola and baking (or purchasing!) scrummy cakes.

The Grange Coffee Shop complemented the morning with lots of freshly brewed Lavazza coffee!

All the hard work paid off with the team raising over £285 for this very worthy cause.

Peace Memorial

It was with great pride that Stratton St Margaret Parish Council was able to provide the people of Stratton with their own formal memorial in August this year. Although a Peace Memorial was chosen rather than a War Memorial, it is still fitting because it was dedicated on the anniversary of the start of the first of the two World Wars.

The memorial site and sculpture have been designed as a place for reflection for residents to take a moment to reflect on the past and to look to the future. The sculpture was built by local artist Jane Rickards with help from a Swindon Borough architect. Together they used elements of various designs which came from a competition which the Parish Council ran with Ruskin Junior School and Kingsdown School. The winning design entitled 'Place to Reflect' was the inspiration for the design of the memorial.

A £20,000 donation from Barrett Homes and fundraising events, such as the Choral Concert featuring the Military Wives held last year at Grange Leisure, have all helped to pay towards the cost of the new memorial.

CIlr Nigel Chalk

Residents are invited to the memorial on the corner of Grange Drive/Ermin Street to join in this year's Remembrance Day Service on Sunday 9 November at 3.00pm.

Stratton Stroll 2014

Stroll up stroll up...

Stratton Stroll, part of the Parish Council's Stratton Festival celebrations is organised every July to bring the community together and celebrate all that's great about Stratton. With over 30 bands playing and hundreds of 'Strollers' flocking to the local pubs in Stratton this year's annual music festival was a real hit.

The music festival packed out six of the most popular pubs in the Parish – the Kingsdown Arms, The Crown, The New Inn, Grange Bar at Grange Leisure, The Wheatsheaf and The Rat Trap.

Alan Holmes, who helped to organise the Stroll this year, was blown away by the number of people who came out to six venues across the Parish. He said **"All of them were packed out and in the Rat Trap there were around 300 to 400 people."**

The acts included Missin Rosie, Benji Clements, Kova Me Badd, Faye Rogers, Charlie-Anne, Acoustic Junkie, Gilmore N Jazz and British Harlem.

Council Chairman John Foley said it was another successful year for the Stratton Stroll.

He said: **"Without the tireless hard work of our local landlords and their staff, the success of this free music event simply would not be possible. Our thanks go out to them and local businesses such as Holmes Music for supporting Stratton Stroll this year. The talented musicians we had playing our event this year exceeded all our expectations – thank you one and all."**

Next year's Stratton Stroll is on 11 & 12 July 2015.

Plans are already underway to make it a bigger event so if you'd like to make the playlist, or be one of our partners, contact the Clerk to the Council on 01793 823761 or email clerk@strattonstmargaret.gov.uk.

Parish Council Elections 2015

Are you passionate about the area you live in?

Do you want improved local services?

There are over 9,000 parish, town, community and neighbourhood councils (local councils) representing around 16 million people across England and they form the most local level of government.

In May 2015 there will be local Parish Council Elections and 23 Parish Councillors will be required to serve Stratton St Margaret Parish Council.

The Council is non political, it elects its own Chairman each year and Committees to help with its decision making. It is recognised that there are some sectors of society who are under-represented on local authorities – such as those under 45, women and people from Black and Minority Ethnic (BME) backgrounds.

Stratton St Margaret Parish Council is a very large Parish Council, bigger than many Town Councils. It has a population of approx. 22,000, and employs 75 full and part time staff. Its income and expenditure exceeds £1 million. It is a burial authority, and provides facilities for its community such as allotments, play areas, Leisure Centre and Community halls.

Councillors may receive a small remuneration which is agreed by the Council every year to assist with expenses and will undertake necessary training in order to undertake their role effectively.

To become a Councillor you must meet the following criteria:

- Be a British citizen, or a citizen of the Commonwealth, or the European Union, and
- Be 18 years of age or older

You cannot stand for election if you:

- Are the subject of a bankruptcy restriction order or interim order
- Have within five years before the day of the election, been convicted in the United Kingdom of any offence and have had a prison sentence (whether suspended or not) for a period of over three months without the option of a fine
- Work for the Council for which you want to become a Councillor

Are you interested?

You need to apply to Swindon Borough Council via their Electoral Registration department.

E-mail: elecreg@swindon.gov.uk.

Elections Helpline: **01793 464601**

In meantime, you are welcome to attend any meetings of the Council and its committees to see if it is for you.

Council Meetings

Stratton St Margaret Parish Council is committed to making local government open and accessible. All of our meetings are open to the public and press and are mainly held at the Parish Council Chamber in Addison Crescent, Upper Stratton, Swindon, SN2 7JX.

Before every meeting the Agenda can be viewed on noticeboards throughout the Parish and on our website. All minutes are uploaded on the website. Here is the current calendar until the end of May 2015.
