North Lodge

Location – Bishopstrow Road, Sutton Veny, Wiltshire

Grade II - Listed 1 July, 1986

Lodge to country house. Dated 1856 on pediment, for Joseph Everett.

Rubble stone and limestone ashlar, Welsh slate roof, group of four ashlar stacks. Single storey and attic. Tuscan distyle in antis portico facing drive to house, central 4-panelled door in moulded architrave, pediment over with date and Everett family crest. Left return has three 12-pane sashes in moulded architraves, chamfered rusticated quoins. Rear has lean-to extension with slate roof, pediment with lunette. Right return has 12-pane sashes.

Interior not inspected.

Attached to right are ashlar dwarf walls with cast-iron spearhead railings to three ashlar gate piers with ball finials, double spearhead gates. Very similar to lodge on Norton Road (q.v.).
