with Stable Walls and Front Garden Walls and Gate Piers

Location – High Street, Sutton Veny, Wiltshire

Grade II - Listed 1 July, 1986

Detached house. Late C17, altered early C19. English garden wall bond brick, with stone quoins, tiled roof with coped verges, brick stacks.

Two-storey, 4-windowed. Central 6-panelled door in moulded stone architrave with relieving arch, 1-light casement and tripartite sash to right, fixed window, tripartite sash and 4-pane sash to left. First floor has four 2-light casements. Right return has brick and stone external stack, 1-light attic casements. Left return has external stack, early C19 parallel range has 12-pane sash with cambered head with keystone, C20 single storey extensions. Rear has early C19 two-storey wing with 2-light casements and 12-pane sashes with flat arches and keystones, to left of rear is outshut with patio doors and 2 storey C20 bay.

Stable attached to left return has blind rubble stone wall to front, stable door and 3-light casement to raised eaves of loft to rear, return has blocked opening to ground floor and double planked loft doors over, interior retains cast-iron and wooden loose boxes. Attached to front of house are rubble stone walls with pitched coping and ashlar panelled gate piers with moulded cappings and pineapples with acanthus leaves.

Interior of house not accessible at time of survey (July 1985).
