

## Swindon Show Entries

That a fair amount of jam-making has been going on in Swindon is evidenced by the fact that 20 entries have been received for the preserved fruit and jam section of the Swindon G.W.R. Staff Association's horticultural show, to be held at the Bridge Street Institute tomorrow and on Sunday next.

Altogether some 200 entries have been received for the show, including 50 for the honey section, arranged by Swindon Beekeepers' Association.

The whole of the fruit, flower and vegetable produce will be sold on Sunday and the proceeds devoted to the G.W.R. Helping Hand Fund.
